

Mitsubishi Motors in the UK opens new office

Andrew Edmiston, Managing Director – International Motors (IM) Group Ltd, has officially opened their new office at Watermoor Point, Cirencester. The office will be home to Mitsubishi Motors in the UK.

Mitsubishi Motors, which was acquired by the IM Group in October 2021, has been based in Cirencester for over 40 years. Speaking at the opening Andrew said *“This is an exciting day. We were delighted to bring on board the Mitsubishi Team and now that the business transition is complete, they have become fully part of the IM Group. Retaining an office in Cirencester was really important to us so the opportunity at Watermoor Point provided the perfect solution”*.

Watermoor Point is an ideal base for the business as it provides a unique blend of office space for businesses of all shapes and sizes. Mitsubishi Motors in the UK’s experienced After Sales Team will occupy a large, open-plan serviced office. (www.watermoorpoint.co.uk)

Ian Woodward-Court, Director of Watermoor Point said *“We are very pleased to be able to provide the IM Group with the office space and facilities they need in Cirencester. Their team will be a great addition to the business community we are fostering at Watermoor Point”*.

Toby Marshall, Mitsubishi Motors in the UK Managing Director, added *“We are very optimistic about the future. Signing a 5-year lease with Watermoor Point demonstrates our total commitment to Mitsubishi customers, our network of Mitsubishi Service Centres and our team”*.
